MEDIA RELEASE

YRA WELCOMES ALBERT HALL ANNOUNCEMENT

The Yarralumla Residents Association welcomes the announcement by ACT Labor candidates that a Labor Government would commit \$500,000 towards the cost of restoring Albert Hall, if elected on 24 November.

YRA President, Tony Hill, said today that the pledge, together with a promise to assess Albert Hall for inclusion on the National Heritage List, would help ensure the building retained its rightful place as a focal point in the life of Canberra.

The Association hopes that all parties contesting the Federal Election will give similar commitments to protect and preserve Albert Hall for the community.
